## E-News # 3

Good afternoon **Subscribers Name**

Welcome to this weeks Little Grove Primary School E-News

### **Eagles Cup Footy Team wins**

Congratulations to our Eagles Cup Footy team for playing very well on Tuesday and having a convincing win against Great Southern Grammar.

Both teams played very well and it was a closely fought match. Our players showed great team work and utilised the whole field. Well done to our parent coaches for providing great feedback and building the skills of the team over the season. We are looking forward to next week, when we play Flinders Park PS at Little Grove.

### **New Physical Education teacher**

Starting next week, Mr Caleb Castlehow joins our teaching staff 1.5 days per week. Mr Castlehow will teach Phy Ed on Monday afternoons and on Wednesdays. We welcome him aboard and look forward to him teaching our students important physical education skills in the lead up to our Faction Athletics Carnival.

### **Year 6 Camp**

Last week our Year 6 students had a very exciting week on camp at Pemberton Camp School. The weather, although cool and raining at times, was kind to our group and students got to enjoy all the activities on offer. These included, canoeing, raft making, bike riding, team building activities, bush walks and the Gloucester Tree climb if they were feeling brave.

Students had to work together on many activities including completing their rostered camp chores which consisted of washing dishes, setting tables, helping in the kitchen and sweeping the floor.

We would also like to thank the team at Pemberton School Camp for the fantastic effort that they put into the programs run at their camp. The students really love the whole experience. One of the highlights is the fabulous home made cooking.

A big thank you to Mrs Knight and Mr Davies and the volunteer parents Mr Gordon, and Mrs Duffield that made this experience possible for your children and kindly donated a week of their personal time. The school acknowledges and appreciates this generous gift to our students. Thank you

Have a great week.

**Mr Darryn Martin and Mrs Julie Blogg**

**Associate Principal**

### Everybody Roar !

Centre 2 performed their assembly item this morning for the whole school.

They have been learning about dinosaurs this term, and shared some fun facts with the audience. They then entertained everyone with a wonderful song.

Congratulations to the whole Pre-primary class for remembering all the words and actions to your song - you did an amazing job.

### Year 6 Pemberton Camp

Year 6 students attended a week long camp in Pemberton last week. Despite the cold weather, everyone had a fun week of exciting new experiences - which included team walk, hiking, cycling and doing the dishes!

A huge thank you to Mrs Knight, Mr Davies, Mr Gordon and Mrs Duffield for volunteering their personal time to make this a wonderful experience for our students.

### Parliamentary Education Visit

Year 5 & 6 students enjoyed a visit from educators representing the WA Parliament on Wednesday.

Students were involved in an interactive session that taught them how government process works in Western Australia. They learnt about the processes that take place for changes and laws to be made by the WA State Government.

### New Chaplains Office

The Chaplain's office has moved to better and brighter premises and can now be found in the main school office block. Belle has been busy transforming one of our empty offices into a warm and inviting area and "chill out" zone.

**We will unveil the end result shortly !**

If parents or students would like to see Belle on Tuesday or Thursdays when she is in the school, please come on into the office and we will point you in the right direction.

## VacSwim Now Open for Enrolment

At our last swimming carnival it was evident that many students were lacking in their swimming skills.

Holiday swimming lessons are a great way for students to keep up or add to their skills.
